The article “MiRNA-215-5p alleviates the metastasis of prostate cancer by targeting PGK1”, by J.-Y. Chen, L.-F. Xu, H.-L. Hu, Y.-Q. Wen, D. Chen, W.-H. Liu, published in Eur Rev Med Pharmacol Sci 2020; 24 (2): 639-646–DOI: 10.26355/eurrev\_202001\_20040–PMID: 32017004 has been retracted by the Editor in Chief.

Following some concerns raised on PubPeer regarding a possible overlap in Figure 2C, the journal has started an investigation to assess the validity of the results as well as possible figure manipulation.

The journal investigation revealed data and figure manipulation. For this reason, the Editor in Chief has decided to retract the manuscript.

The authors have been informed about the retraction but remained unresponsive.
