The article "MiR-195-5p inhibits the cell migration and invasion of cervical carcinoma through suppressing ARL2", by S.-S. Pan, H.-E. Zhou, H.-Y. Yu, L.-H. Xu, published in Eur Rev Med Pharmacol Sci 2019; 23 (24): 10664-10671–DOI: 10.26355/eurrev_201912_19764–PMID: 31858533 has been retracted by the Authors for the following reasons:

The authors found some inaccuracies in the research due to the number of experiments, as well as problems in the editing process of pictures. These errors may mislead readers and affect scientific research in this field.

Figures 2D and 5D have also been questioned on PubPeer in April 2023.

This manuscript has been withdrawn. The Publisher apologizes for any inconvenience this may cause.
