The article “LncRNA BX357664 inhibits the proliferation and invasion of non-small cell lung cancer cells, by J. Yang, Y.-M. Du, B. Li, published in Eur Rev Med Pharmacol Sci 2019; 23 (2): 660-669–DOI: 10.26355/eurrev\_201901\_16880–PMID: 30720174” has been withdrawn from the authors due to data miscalculation, p-value (Distance metastasis in Table I) should be 0.161, not 0.034. So the low level of BX357664 was not correlated with distant metastasis of NSCLC.
